

Invoicing and Payments for Oil & Gas

Talipay streamlines your back office to let you focus on what you do best - growing your business 🚀

What we do

Talipay is an invoicing and payments platform that removes the headache of manual invoicing, streamlines the tracking of payables and enables early payments to subcontractors.

How we do it

We work with your ticket data to generate customer invoices, track payables to subcontractors, process payments, and deliver timely settlement reports to your subcontractors.

Streamline Invoicing

Save 50%+ time managing your billing and invoicing. Seriously.

Easily Pay Subs

Save on payroll software costs & pay your subs in a snap.

Improve Sub Satisfaction

Give your subcontractors visibility over their payments.
