

Invoicing and Payments for Staffing

Talipay streamlines your back office to let you focus on what you do best - growing your business 🤝

What we do

Talipay is an invoicing and payments platform that removes the headache of manual invoicing, streamlines the tracking of payables and enables early payments to team members.

How we do it

We work with your shift data to generate customer invoices, track payables to workers, process payments, and deliver timely payment reports to your team members.

Streamline Invoicing

Save 50%+ time managing your billing and invoicing. Seriously.

Talipay...
